

**WOULD YOU BE INTERESTED IN SCHOOL SITE
COUNCIL?**

A new school year is right around the corner! With a new school year comes a need for parents on the *School Site Council*. The basic principle behind the SSC is that those individuals who are most affected by the operation of their school should have a major role in the decisions regarding how their school functions. It is the role of the SSC is to serve in an advisory role to the principal on the planning, implementation, and evaluation of the school improvement plan, and to allocate SIP funds from the state (when available) to support the goals of the school plan. The SSC reviews the progress of the school in achieving the goals of the plan.

The success of the School Site Council (SSC) depends upon the ability and willingness of all those in the process to work together in a cooperative manner to develop an effective curricular and instructional program in which all students may attain higher levels of academic competence. SSC meets after school once a month.

We are in need of three (3) parents to become part of the SSC. The term is for two (2) years. If you would like to nominate a parent(s) or yourself to be on SSC, please fill in the name(s) below and a SSC member will contact them to see if each person is indeed interested. If there are more than 3 nominees we will hold an election. Return your nomination form to the Arcohe School office by August 30, 2010.
